Pizza Hut® has always been the place for families and friends to get together. The good times just seem, well, better when you've gathered around a Pizza Hut pizza. Hard to believe it was started way back in 1958 by two brothers in Wichita, Kansas.

They borrowed \$400 from their mom to open a restaurant that would serve this new thing called pizza. They called it Pizza Hut, and a legend was born.

We make every pizza with the same care and pride we had back then. We top it just the way you want it, bake it fresh in our ovens, then serve it right to your table.

Thank you for choosing Pizza Hut. We hope you love your pizza.
And please let us know if there's anything else we can do to make your families' and friends' visit better.

Pizza can be part of a well-balanced meal. Ingredients in our pizzas include protein, complex carbohydrates, Vitamin A and calcium. And, depending on the toppings you choose, our pizzas can have items from all of the four major food groups: meat, dairy products, fruits and vegetables and grains! So take a closer look within our menu for some suggestions when counting calories. For complete Nutritional Information, you can go to www.pizzahut.com.

A 15% gratuity will be added to your bill for parties of 8 or more.

Please contact the Manager for information on pricing for large groups, birthday parties, catering and special events. Your satisfaction is our number-one priority. If you are not completely satisfied, please let the Restaurant Manager know within 24 hours and allow him or her to correct the problem or it's free. For further assistance, call our Customer Satisfaction Hotline at 1-800-940-9408.
